State Street Brats is pleased to offer gluten free options. We are not a gluten free restaurant and cannot ensure that cross contamination will never occur. We have processes in place to minimize that happening, but there is a great deal of gluten in the air and on our work surfaces, all sandwiches must be prepared on the same grill. If you are Celiac and/or highly sensitive, please advise the person taking your order and know that we will do our best, but cannot guarantee your order will not touch gluten somewhere in the process.

Wisconsin State Sales Tax is added to the listed menu prices for all non-alcoholic, food and merchandise items, but included in the final price of all alcoholic beverages
